# Roots SD 430

## Single Disc Scrubber

High torque belt driven with 165 rpm,  
very quiet and vibration free

*ROOTS -  
Perfect from  
product  
to service*

## The SD 430's key features

- Robust chassis to handle the torque.
- Break proof plastic covers.
- Large non mark wheels for easy transportation.
- Molded all round bumpers to protect furniture or other objects.
- Powerful motor for high performance and efficiency.
- Belt drive transmission for noiseless & vibration free operation.
- Safety switch to prevent accidental start of the machine.
- Easy to use adjustable handle.
- Handle mounted water tank.
- Inbuilt cable holders to store away the cable when not in use.
- Variety of brushes and pads to suit different types of floors.

Adjustable handle to suit operator's of any height.

17 m of mains cable ensures a large operating radius.

The handle is equipped with safety switches.

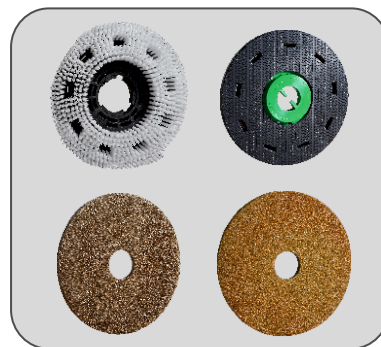

Easy brush change mechanism.
