- Fingertip controls are easy to access

Commercial Extractor PFX900S

The Professionals Choice for Self-Contained 34 Litre Extractor

PFX900S

Powr-Flite

Self-contained extractors offer quick and easy cleaning. For convenience you can't get any easier than a Powr-Flite self contained extractor. You get maximum productivity with the added flexibility of attaching additional tools for cleaning spots, stairs and upholstery. These extractors are great for tight areas where maneuverability is a problem.

The PFX900S provides superior cleaning power with a floating brush head that maximizes agitation and leaves the carpet cleaner. You never have to worry that you don't have the brush at the proper level - it needs no adjustment. The powerful 1300 rpm chevron style brush agitates and removes soil other self-contained extractors leave behind. Solution is delivered at 100 psi through two spray jets for even application.

OPTIONAL: PFX900S-KNS
Upholstery Kit

Specification	PFX 900S
