Mains Operated Automatic Scrubber Drier

E 6050

Extremely maneuverable, compact, easy to operate,
2000 m² cleanliness/hour

Roots -
Perfect from
product
to service

RootsScrub E 6050 up to 2,000 m² cleanliness/hour.

- Easy guidance, excellent steering and high degree of maneuverability
- Self propelled
- Optimum vacuuming of dirt water even when negotiating corners thanks to the straight squeegee with spring suspension
- Brush exchange at the press of a button
- Excellent view of the control panel
- Optimum view of the working area and protruding brush head
- Easy cleaning of aisles & corners
- Squeegee lips can be exchanged without tools
- Extremely tough
- Service friendly
- Non-corrosive, robust rotomould tanks are resistant to damage
- Easy access to all components

Ergonomic handle for operators of any height. Excellent view of the area to be cleaned.

Easy tank cleaning, thanks to the large tank opening. Tank can be emptied quickly and easily via the large outlet hose. Overflow protection for the dirty water tank.

The straight, floating squeegee makes working close to edges possible and ensures that no water streaks remain even when negotiating corners.

Brushes can be changed quickly without the need for any tools at the push of a button.
