

# **Roots IVC100 HD**

## Heavy Duty Industrial Wet & Dry Vacuum Cleaner

## **Dry Application**

### IVC 100 HD Heavy Duty Industrial Vacuum Cleaner

#### **POWER**

The IVC 100 HD machine is provided with side channel blower from the world's best manufacturers, to improve the quality and performance. The side channel blower is powerful, silent and suitable for continuous and heavy works and don't require maintenance as they don't wear since there is no transmission system.

#### **FILTRATION**

The IVC 100 HD machine is provided with a filter surface up to 30,000 cm<sup>2</sup> and air load on filter  $(m^3/m^2/h)$  according to BIA standards to maximize the efficiency, vacuum performance and lifetime of the machine.

Absolute filter H14 (99.997% efficiency) is provided for filtering toxic dust.

#### FLEXIBILITY

The IVC 100 HD machine is designed to draw in dust and solids at the same time. The releasable wheeled container aids in easy emptying of the collected material. The external filter shaker keeps the vacuum performance and the filtration efficiency maximum during operation.
